

MC-9001 Electronic Office Equipment Cleaner

WORLD LONGEST LASTING AND MOST DISSIPATIVE

Description

The industry's best and longest lasting topical antistat. This product makes non-dissipative materials dissipative, cleans and also prevents dirt attraction to surfaces.

The Ohm-Cide® 9001 is a leading-edge water-based topical anti-stat solution specially designed to control, prevent and eliminate static electricity on surfaces. It will clean and rejuvenate static-dissipative mats, as well as make non-dissipative surfaces dissipative. Treated surfaces will prevent tribogeneration and sudden ESD events. Removes all contaminants such as fingerprints, oils, grease, grime, and flux.

Uses

Ideal for use on chairs, mats, glass, shelving, optical surfaces, electronic equipment, telephones, metals, CRT screens, 3 ring binders, plastic, workstations and table/floor mats to prevent and remove static electricity.

Industries

Semi-conductor, automotive, pharmaceutical, hospitals, biomedical, aerospace, microelectronics and munitions.

Features

- Eliminates Static Electricity
- Biodegradable
- Non Streaking
- No powdering, non abrasive
- Neutral pH
- Non-tribogenerative
- Prevents Dust Attraction
- Quart spray bottles, 1 gallon, or 5 gallons
- No outgassing
- Quick drying
- 100% Ozone Friendly
- Non flammable
- No alkalis or ammonia
- Water-based, no alcohol
- Contains no metals
- Longest Lasting in industry

Directions

Initial Applications - Read full product information sheet

Use a lint-free swap in difficult to reach areas. Apply onto the surface with a lint-free cloth and allow to dry. Do not soak or wet surfaces. Wipe excess off with a lint-free clean cloth. The solution can also be applied by spray directly onto large surface areas and allowed to dry.

Warning

Do not take internally. Avoid eye contact - wash with water. May cause slight eye irritation if sprayed into eyes. Keep out of reach of children.

Specifications:

	Color	Clear
	PH	5-7
	Odor	Slight, pleasant
	Dyes, Fragrance	None
	Animal Testing	None
	Toxicity	None by dermal or inhalation
	Solubility	Water, acetone, MEK, alcohols
	Flammability	Non Flammable
	Specific Gravity (wt./gal)	8.45
	Tribogeneration	Under 10 volts
	Viscosity	.01 poise
	Packaging	1 quart (32 oz., 0.946 liters)
	Electrical Resistance	$10^6 - 10^8$ ohms
	Ink Mark Resistance	Excellent
	Flammability	Non-flammable
	Longevity	Best in market today

Warranty: Static Solutions expressly warrants that for a period of 1 year from the date of purchase any Static Solutions product will be free of defects in materials and will function within its specifications. Within the warranty period, the product will be repaired or replaced at Static Solutions option with no cost to the customer as long as Static Solutions receives notice during the warranty period. Defective products must be shipped prepaid to Static Solutions, Inc.'s factory. Call Static Solutions customer service at 978.310.7251 for a return authorization number. Include a copy of the invoice, packing slip, or other proof of purchase.

Warranty Exclusion: The foregoing express warranty is made in lieu of other product warranties express and implied, including merchantability and fitness for a particular purpose which are specifically or indirectly dis-claimed. The express warranty will not apply to defects or damage due to neglect, misuse, accidents, alterations, operator error, failure to properly maintain, follow instruction, or failure to clean or repair products.

Limit of Warranty: In no event will Static Solutions or seller be responsible or liable for special, incidental or consequential losses or damages, whether based on contract or the use of or inability to use the product. Before using the product users shall determine the suitability of the product for their intended use. The users assume all risk and liability whatsoever in connection therewith. Fulfillment of Static Solutions warranty obligations will be the customer's exclusive remedy and Static Solutions and seller's limit of liability for any breach of warranty or otherwise.
